

Raptor Run 2017

Dear MICS Families:

It's time for the 2017 Raptor Run Fundraiser. With your help, Phase III which includes the elementary building, playground, art spaces and additional athletic fields will be ready next year! We are SOARING to the finish line!

Please help your child obtain sponsors for participation in the Raptor Run. On September 29th, students will wear their Raptor Run t-shirts, run/walk laps on the field, and dance to music at the Raptor Run!

An easy way to raise money is by obtaining Business Sponsors. Visit local businesses and ask for their support. For a \$100 donation, Business Sponsor names will be included on our Raptor Run t-shirts, over 1300 shirts! It's a great way for a business to advertise! The Business Sponsor forms and payments must be turned in by September 21st to be included on the shirt.

Don't forget to submit your eligible personal donations to your employer for matching donations, too.

Attached to this letter you have:
